

VISION DOCUMENT

Gadagusain originally was famous as Jufferkot and now takes pride to have the institute named as Government Degree College Gadagusain the only of its own kind in the region providing fruits of Higher Education to the youth of this area. The college was announced in 2014 and this college is affiliated to SPU Mandi. It is a beautiful drive from Banjar to Gadagusain via Jibhi and from Anni to Gadagusain Via Chhatri. Its sheer isolation from the mainstream humdrum this place is surrounded with beautiful beauties of nature, an ideal location for teaching learning process.

Inspite of lack of adequate infrastructure and academic facilities the College has minimum sources of infrastructure-a portion of GUSSS Gadagusain building consisting of 3+1 classroom with a office of principal and teaching and non-teaching staff and a small library. We, at the college believe in providing to our students an environment conducive to acquire knowledge and basic life skills through a host of co-curricular and extra-curricular activities. The efficient and enthusiastic faculty of the institution not only believes in attributing the best of academic expertise to the students in the course of their study but also tries to impart value education in its true sense.

Our Motto

“Shastre Shaastre cha Kaushalam” which means that one should be proficient in learning and combating the challenges of life.

Vision

Our college aims at providing value-oriented education keeping in view the overall development of it students and empowering them to make self-reliant and responsible citizens of the nation.

Mission

College is committed to offer excellent educational opportunities that meet the students’ needs and enable them to confront and overcome the recurrent challenges of life and career.

Objectives

- To enable students to acquire knowledge in the field of languages literature, social sciences and commerce.
- To enable students contextualize their knowledge in social, cultural, economic, political, environmental and business fields.
- To enable students to develop interpersonal and communication skills.
- To empower and enable students to appear for competitive examinations.
- To develop in students the critical and analytical thinking.
- To educate students in civic duties to make them responsible students.

Core Values:

In order to evolve classroom teaching and curricular activities outside the campus not only into knowledge and skills but to inculcate in students the core values which helps the students to become responsible individuals based on their holistic growth as social beings.

1. To provide a transformational educational experience for the growth and development of students.
2. To make students aware of the value and purpose of education so that they can contribute to national development.
3. To provide clear, timely and accurate information about programme/ study, courses and their assessment.
4. To inculcate amongst student values of tolerance, work ethics and social responsibilities.
5. To provide adequate exposure to the students in language skills and inter and intra personal relationship.
6. To provide support and guidance to students through professional and experienced teachers.
7. To receive constant feedback from students and stakeholders.

Best Institutional Practices:

In order to align the teaching learning process with the needs of the students and to extend the reach and viability of education beyond the classroom into the realm of real world. The college focuses on the following:

- Linguistic ability
- Numerical ability
- Reasoning ability and critical thinking
- Sensitisation on cutting edge issues

Academic Leadership:

GC Gadagusain, being the only institution of tertiary learning in the area shall make effort to provide academic leadership to other educational institutions of the region. In this context, it is proposed to:

- Maintain liaison with schools.
- Adoption of schools.

Cultural Leadership:

GC Gadagusain endeavours to document the cultural and literary heritage of surrounding regions in following manner:

1. Educational tour to historical places.
2. Organising cultural programmes.

Feedback:

All activities undertaken by the college need to be evaluated by all the stakeholders such as students, parents, teachers, staff members. As such the college takes feedback from them on regular basis.

Our Primary Requirements:

In order to enable the college to emerge as an institution of academic value and social significance certain urgent works are urgently required to be done:

1. College own building with complete infrastructure
2. ICT Labs.
3. Sports facilities such as ground and sports equipments.

4. Smart classrooms.
5. Multipurpose Auditorium.

We are sure that with the help and support of the State Government, Dept. of Higher Education and other Govt. Depts., combined with our own commitment and dedication to our laid down course of education, the college will soon be in a position to realise the ideas and ideals that have been laid down in the Vision Document.
